

Smoke Lobby

Please note, smoke lobbies are only applicable in buildings located in the State of Victoria.

Treatment of Stepped Wall

Dominant portion of wall to be separately measured for A-B-C-D-E-F-G-H-J-K

Acknowledgments

The Property Council of Australia would like to acknowledge the friendly co-operation of the following international authorities on measurement standards:

- Building Owners and Managers Association International;
- Building Owners and Managers Association of New Zealand;
- Property Management Institute;
- The Incorporated Society of Valuers and Auctioneers; and,
- The Royal Institution of Chartered Surveyors.

The Property Council of Australia is also indebted to the following organisations for providing assistance with the *Method of Measurement for Lettable Area*:

- Australian Institute of Valuers and Land Economists;
- Department of Administrative Services;
- Facility Management Association;
- Office of the Valuer-General (Victoria);
- QPM Property Management (Queensland);
- Royal Australian Institute of Architects; and,
- The Institution of Surveyors Inc.

These organisations do not necessarily endorse the Property Council approach.

The Property Council would also like to thank our members for their input into the preparation of this document.

The diagrams were prepared with the assistance of Peddle Thorpe & Walker Architects.
